Hi all,

A reporter with Chemical & Engineering is working on a story about emerging research on the impact of wildfire smoke on public health. She would like to talk to Ana about her recent paper: [Cardiopulmonary Effects of Fine Particulate Matter Exposure among Older Adults, during Wildfire and Non-Wildfire Periods, in the United States 2008–2010](#)

Her article is due Wednesday so she would like to talk tomorrow (Tuesday).

This is the same paper that Ana did a interview on last week. The questions are similar. Is this okay with you all?

Thanks,  
Kacey
